APPROVAL: 

## POLICY

Registrants of NSCMIRTP must meet the criteria as set out in this policy to be approved for a license to work as a MIRTP in the province of Nova Scotia.

## RATIONALE

As the MIRT regulator for the province of Nova Scotia it is the mandate of NSCMIRTP to ensure those granted a license to practice have meet a minimum standard. This standard ensures all MIRTPs have the requisite knowledge, skills, judgment, and good character to provide the public with competent professional care.

## PROCEDURE

As outlined in the registration documents all applicants must provide required proof of meeting the following standards;

- Successful completion of an approved program in the specified discipline(s).
- Successful completion of the CAMRT entrance to practice exam in the selected discipline(s) or the examination of the Ordre des Technologues en Imagerie Medical en Radiooncologie et en Electrophysiologie Medicale du Quebec (OTIMROEPMQ) or Sonography Canada entrance to practice exam.
- Copy of government issued photo ID
- Documentation of name change if current name does not match submitted documents
- Legal entitlement to work in Canada
- English Language proficiency in reading and writing
- Good Character via submission of a clean vulnerable sector check and clear internet search
- Clinical practice hours within the past 5 years
- Evidence of sufficient professional liability insurance
- If transferring from another regulated jurisdiction evidence of good standing
